

This architectural floor plan shows the layout of the main building. A red box highlights a specific room in the upper left section. The plan includes various rooms, corridors, and a large central open area. A compass rose is located in the bottom left corner, and a small rectangular feature is shown in the bottom right corner.

Diagram illustrating the assembly of a photovoltaic module support structure. The diagram shows a 3D perspective view of the assembly and a 2D top-down view of the grid. Components labeled include:

- Morsetto fissaggio modulo
- Profilo/Binario in alluminio per integrazione
- Staffa per lamiera graffiata
- Copertura metallica

Per ancoraggio della struttura metallica di supporto dei moduli fotovoltaici si dovranno prevedere staffe idonee alla lamiera grecata e che non prevedano di forare la copertura
